

Mickle Trafford and District Parish Council

COVID 19 Outbreak

Parish Councillors, the Parish Clerk and many residents have put themselves forward to support the community at this difficult time

There have also been offers of support from the Church, Ben and Clair at the local shop and an offer to deliver cooked meals from Meadow Lea Farm Coffee Shop

If anybody feels the need to self-isolate and subsequently requires help or support then give any of the Parish Councillors or the Parish Clerk a call and we will then contact volunteers to help resolve their difficulties
